Heart Couture

When it comes to seduction, there is no greater weapon in a woman's arsenal than lingerie. It is the ultimate enticement, a perfect combination of mystery and arousal. Consider the sheer excitement of a negligee, the hidden treasure of a lace bra or the shimmery grace of a silk slip. This is the gossamer stuff a man's dreams are made of. Some of our friends in the sports magazine world would have you believe that the last word in sex appeal is a bikini-clad bombshell tripping along the sands of Maui. But we say, "Time out." To prove our point, we asked some of our favorite Playmate superstars to do what comes naturally. Next to nothing has never meant so much.—*PLAYBOY, February 1997*
